

PSMP UNIFORMS

PSO Issues = Class A, B & C Uniform Shirts, Jacket, Rain Slicker, ID Card, Name Tag, Serving Since Pin, Citation Bars, Tie, Tie Tack, Training t-shirt, Ball Cap, Helmet with decals & Saddle Pad Cover.

Class A = Long Sleeve shirt, black tie, tie tack and black gloves, your name tag, serving since pin and any other approved applicable pins (crossed sabers, citations, etc), also a pair of black (*not faded*) jeans or riding breeches, black boots and black belt.

Class B = Short Sleeve Shirt, also a pair of black (*not faded*) jeans or riding breeches, black boots and black belt.

Class C = Stone Polo (5.11) with the black PSMP insignia on back and with name on the front or name tag, also a pair of black (*not faded*) jeans or riding breeches, black boots and black belt & baseball cap on occasion (such as a windy day).

Class A, B & C = Hair should be above the collar, (for women with longer hair, in a hair net/bow). English riders should wear issued helmet. Western & Aussie riders can wear the issued helmet or straw hat.

Saddles = English, Aussie or Western, must certify in type of saddle you are using at events or details, with PSMP Saddle Pad Covers. Do not use saddle pad covers (*unless you have an old one*) for Search & Rescue because they could get torn in the heavy brush.

Bridles = All bridles will be equipped with bits and a curb chain with curb action. Example: Kimberwicke bits have many different mouth pieces to satisfy most all mounts. Reins must be continuous, approximately 10' and absolutely no split reins at events, details or competitions. Split reins may be used at training as well as other bits. We prefer use of leather Halter/Bridle Combo equipped with the Texas star as rosettes for a uniform appearance.

Sunglasses = must be very plain, such as those worn by deputies or police officers, either black or brown, no bling or huge frames.

PSMP issues leg wraps (for front legs) and a neck rope (to be used for parades, use either neck rope or breast collar, NOT BOTH). You must attain Level 2 certification to be issued these items.

MEMBER purchases boots (your choice of western, tall english style or paddock boots with leather half chaps), black gloves, black belt, straw hat (Western & Aussie Riders Only when in the saddle), all riding equipment (leather halter/bridle combo, saddle & under pad suited for your horse and saddle).

Agency Inspection Sheet will be helpful with your uniform appearance & appearance of your mount.
